Aa for Apple

For Teacher

/A/ instructions

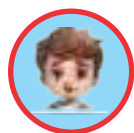

- Open the mouth wide.
- Teeth are apart, some of the top and bottom front teeth shown.
- Sides of the tongue touch bottom teeth at the back.

Kids IQ

1. Do apples grow on trees or bushes?
2. Which vitamin is found in apples?

Look and Say

aeroplane

alligator

avocado

ambulance

Kiddie Quest

Ask children to use finger points to create their own apple tree on a large sheet of paper, drawing apples with their fingertips. Discuss about the different colours of the apples and name other fruits that start with 'A' like apricot and avocado. Sing the "A is for Apple" song together, pretending to pick apples from a tree.

Skill Milestones

- Sound Association
- Recognition
- Interaction

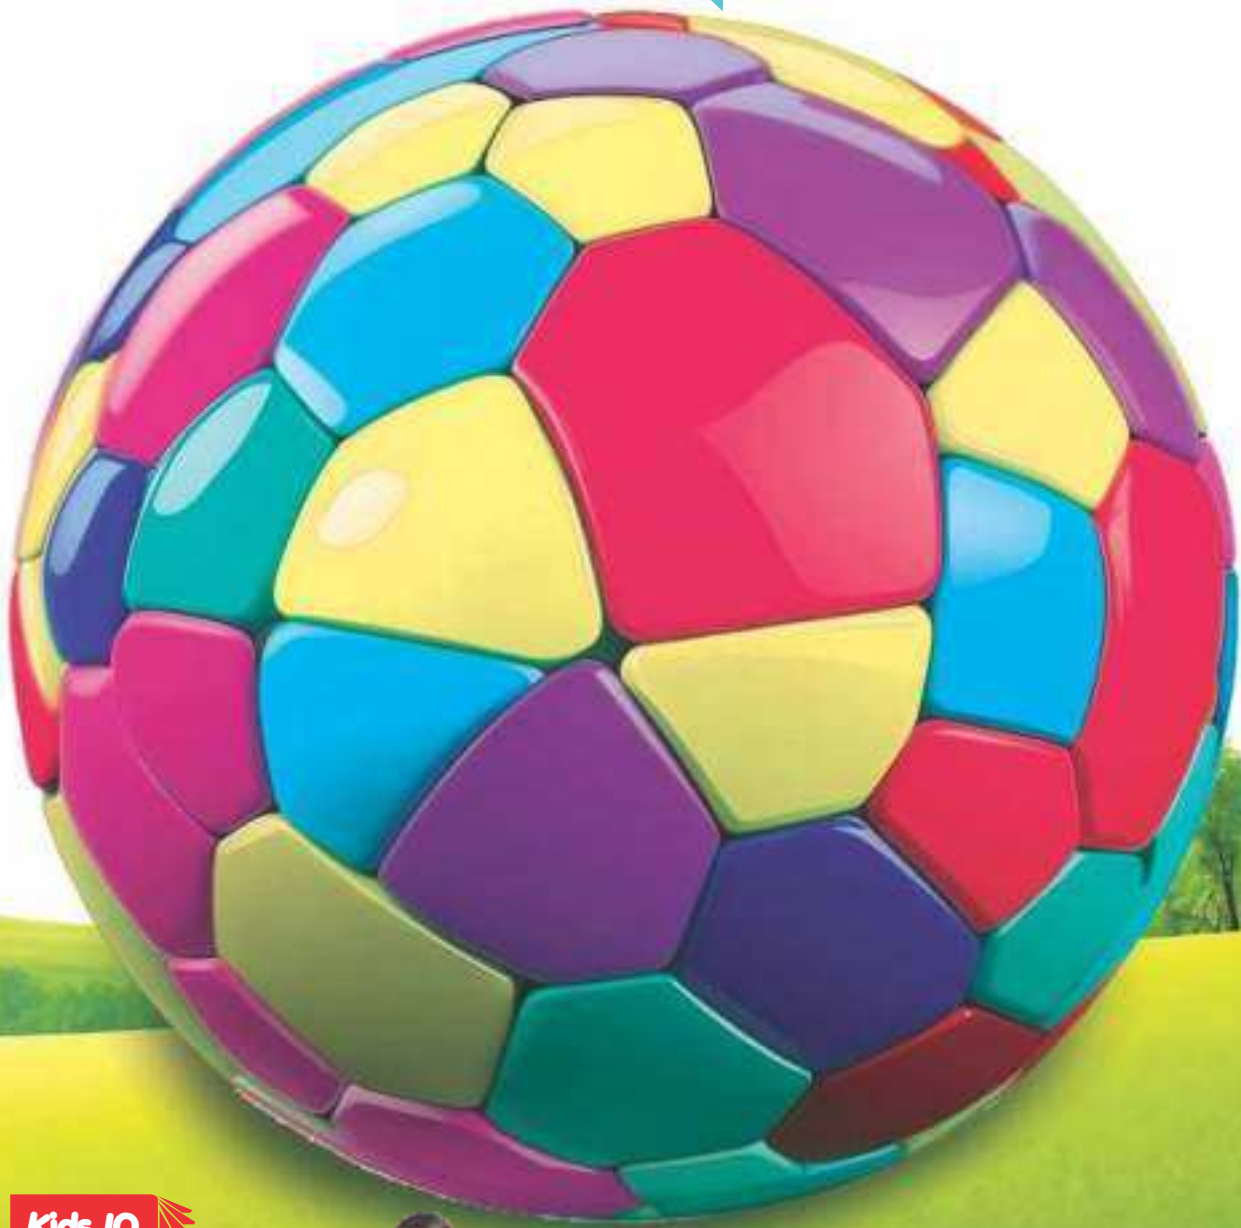

Bb for Ball

For Teacher

/B/ instructions

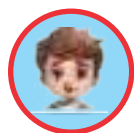

- Press both lips together.
- Vibrate the vocal cords.
- Open your lips suddenly.

Kids IQ

1. Can you name a game that uses a ball?
2. Is a ball round or square?

Look and Say

balloon

bed

bus

bear

Kiddie Quest

Set up a small obstacle course with different types of balls like soccer ball, basketball, and tennis ball. Discuss the shapes and sizes of each ball and share favorite ball games. Create a ball-themed collage using cut-outs from magazines or coloured paper.

Skill Milestones

- Visual Ability
- Creativity
- Vocabulary

C *for* **Cat**

For Teacher

/C/  **instructions**

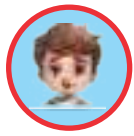

- Press the back of tongue against the rear roof of mouth.
- Release it with a puff of air.

Kids IQ 

1. What kind of sound does a cat make?
2. Have you seen cats of different colours?

Look and Say

crab

coin

car

crow

Kiddie Quest

Provide materials for children to make cat masks using paper plates, crayons, and string. Have them wear their masks and pretend to be cats. Talk about different types of cats, both domestic and wild, and the sounds they make. Read a story about a cat and ask questions to reinforce comprehension and the letter 'C'.

Skill Milestones

- Visual Ability
- Pronunciation
- Association

D d for Dog

For Teacher

/D/ instructions

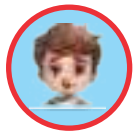

- Press the back of tongue against the rear roof of mouth.
- Release it with a puff of air.

Kids IQ

1. Do you know what a baby dog is called?
2. What kind of sound does a dog make?

Look and Say

dress

dinosaur

deer

donkey

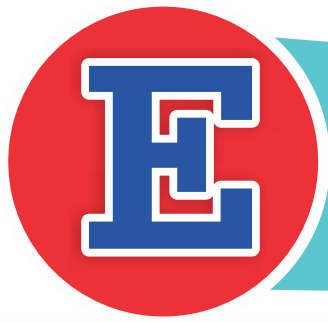

Kiddie Quest

Organize a "Dog Day" where children can bring pictures of their pets or favorite toy dogs for a show-and-tell session. Discuss different breeds of dogs and their roles, such as pets, service dogs, and police dogs. Play a "Doggie Dance" game where kids dance like different dog breeds, prancing like a poodle or stomping like a bulldog.

Skill Milestones

- Introduction
- Relationship
- Comprehension

e *for* Eagle

For Teacher

/E/ **instructions**

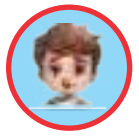

- Open the mouth medium Wide.
- Teeth are slightly apart with some of the top & bottom front teeth showing.
- Sides of the tongue barely touch the bottom teeth.

Kids IQ

1. Do you know about eagle?
2. Which is the favourite food of an eagle?

Look and Say

engine

ear

egg

eraser

Kiddie Quest

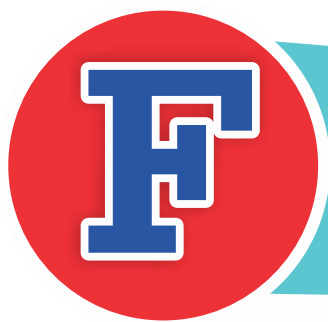

Create eagle puppets using brown paper bags and colored paper. Ask children to use their puppets to act out a simple story about eagles. Talk about the habitat and diet of eagles and why they are important in the ecosystem. If possible, take children on a nature walk to observe birds, discussing which ones look like eagles and why eagles are unique.

Skill Milestones

- Observation
- Relationship
- Motor Skills

f

for Frog

For Teacher

/F/ **instructions**

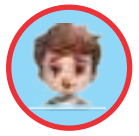

- Press your front teeth against bottom lip.
- Force air through the opening.
- Release teeth from lip.

Kids IQ

1. What is a group of frogs called?
2. What do frogs eat?

Look and Say

fox

flower

forest

flag

Kiddie Quest

Organize a frog jump activity where children hop like frogs across the room. Discuss what a group of frogs is called and the different colors of frogs they know. Create a craft project where children make their own frog using green paper and googly eyes.

Skill Milestones

- Observation
- Speculation
- Analytical Thinking

Gg for Grapes

For Teacher

/G/ instructions

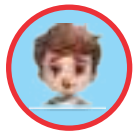

- Close the opening at the back of throat.
- Vibrate vocal cords.
- Release the pressure of the tongue.

Kids IQ

1. What is the colour of grapes?
2. Which vitamin is in grapes?

Look and Say

gift

girl

ginger

goat

Kiddie Quest

Organize the scene of the fox and the grapes from the famous fable. Hang a bunch of grapes at some height out of children's reach and ask them one by one to jump to grab the bunch. Discuss the colour of grapes and the vitamins they contain. Create a grapevine craft using paper and paint.

Skill Milestones

- Observation
- Recognition
- Motor Skills

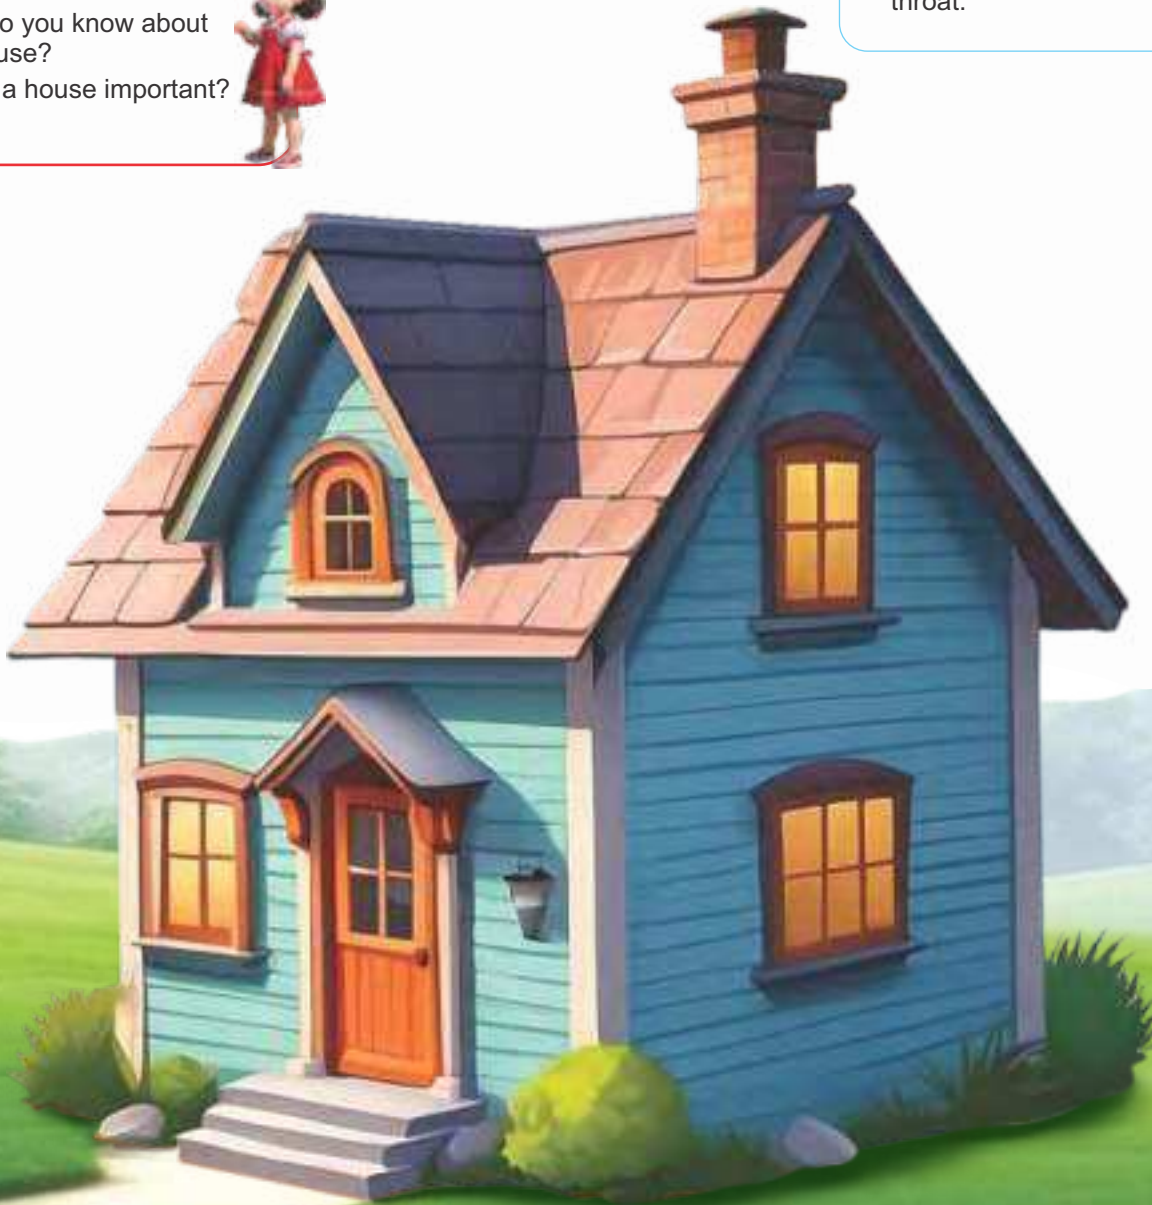

Hh for House

Kids IQ

1. What do you know about the house?
2. How is a house important?

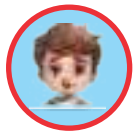

For Teacher

/H/ 🗣️ instructions

- Relax your mouth.
- Then slightly open the jaw.
- Force a puff of air from your throat.

Look and Say

hen

horse

hive

helicopter

Kiddie Quest

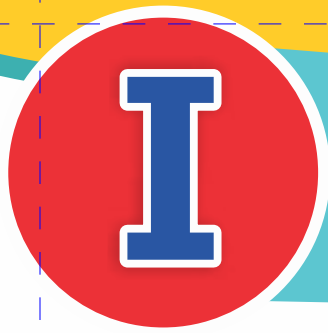

Discuss the importance of houses and what makes them special. Ask children to draw their own house and talk about who lives in it and what makes it unique. Create a model house using building blocks or recycled materials.

Skill Milestones

- Interaction
- Association
- Observation

i

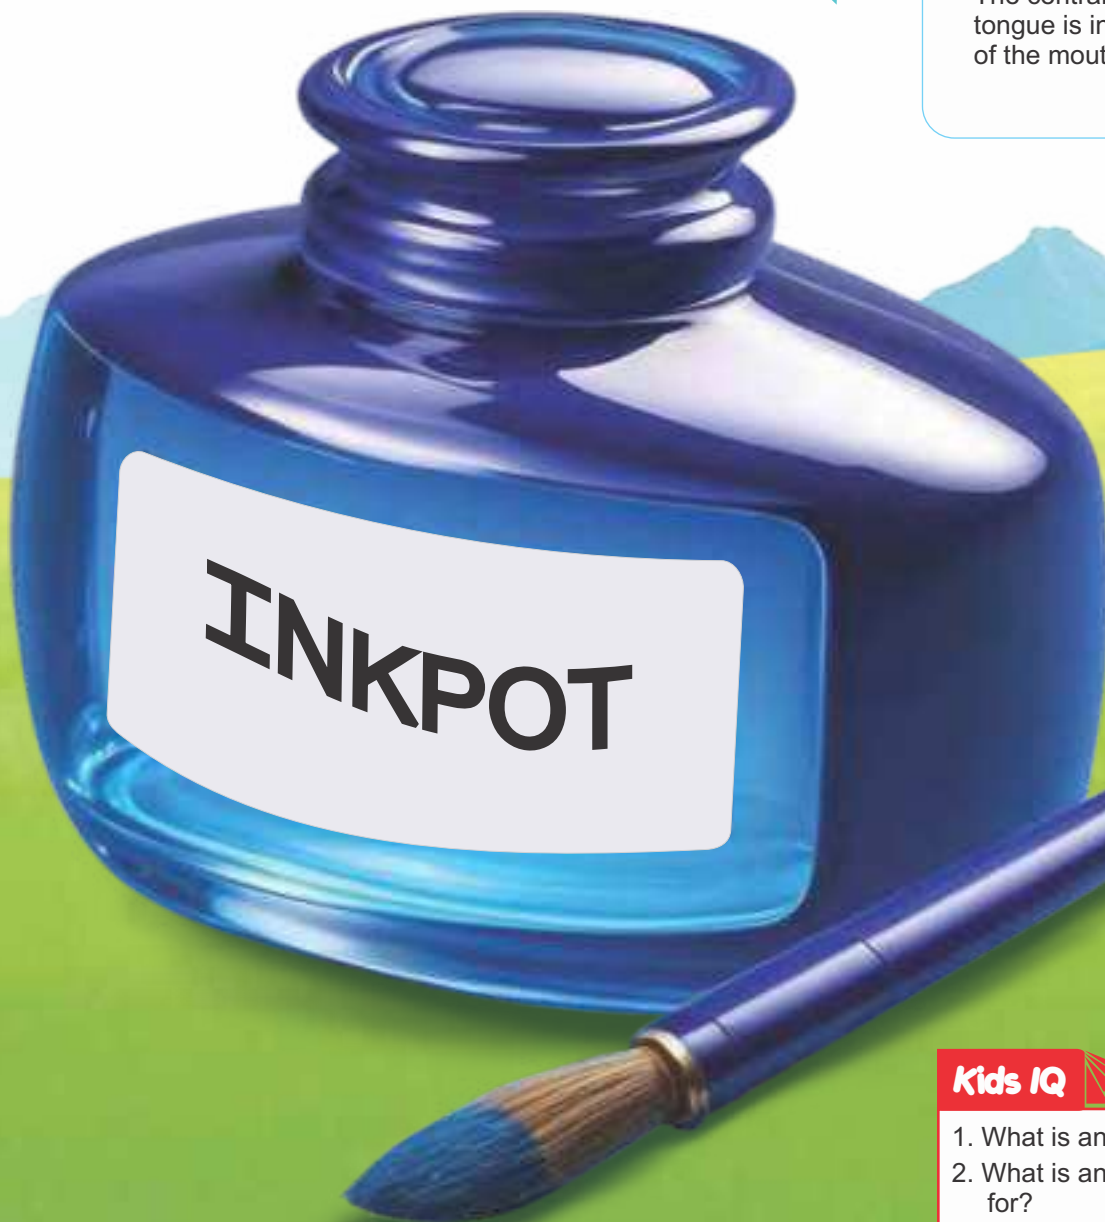

for Inkpot

For Teacher

// instructions

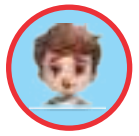

- Keep your lips relaxed.
- The central front area of the tongue is in the central high area of the mouth for this sound.

Kids IQ

1. What is an inkpot?
2. What is an inkpot used for?

Look and Say

ice

iron

iphone

ice cream

Kiddie Quest

Discuss what an inkpot is and what it is used for. Ask children to draw and colour their own inkpot using crayons and markers. Use a small brush and watercolors to simulate writing with ink.

Skill Milestones

- Observation
- Recognition
- Motor Skills

J j for Jug

For Teacher

/J/ instructions

- Press the front of the tongue against your top front teeth & gum.
- Vibrate your vocal cords & release the tongue.

Kids IQ

1. What is the shape of a jug?
2. How do you describe a jug?

jet

jelly

jeans

joker

Kiddie Quest

Discuss the shape and purpose of a jug. Ask children to describe jugs they have seen at home. Create a jug craft using paper and decorate it with stickers and markers. Practice pouring water from a small jug into cups to develop motor skills.

Skill Milestones

- Observation
- Recognition
- Motor Skills

K k for Kettle

For Teacher

/K/ instructions

- Press the back of tongue against the rear roof of your mouth.
- Release it with a puff of air.

Kids IQ

1. What do you use a kettle for?
2. How does a kettle make water hot?

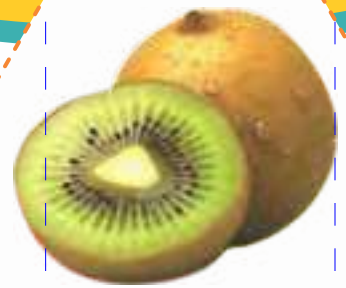

Kiddie Quest

Discuss what a kettle is used for and how it makes water hot. Ask children to pour tea from a toy kettle into cups. Create a craft project where they color and decorate their own paper kettles.

Skill Milestones

- Observation
- Recognition
- Motor Skills

kiwi

knife

kitten

ketchup

l for Lemon

Kids IQ

1. What can you make with lemons?
2. How does a lemon taste?

For Teacher

/L/ instructions

- Put the tip of your tongue against the ridge above your top front teeth.
- Vibrate the vocal cords.
- Quickly release your tongue.

lotus

lamp

lady bug

lizzard

Kiddie Quest

Discuss what can be made with lemons, like lemonade, and how lemons taste. Provide slices of lemon for children to taste and describe the flavour. Create a lemon collage using yellow paper and stickers.

Skill Milestones

- Observation
- Recognition
- Motor Skills

M m for Mango

Kids IQ

1. What colour is a ripe mango?
2. Do you like eating mangoes?

For Teacher

/M/ instructions

- Press your lips together.
- Vibrate your vocal cords.
- Open the lips without a puff of air.

mushroom

milk

magnet

moon

Kiddie Quest

Talk about the color of ripe mangoes and whether the children like eating mangoes. Have a tasting session with different varieties of mangoes. Create mango-themed art by using orange and yellow paints.

Skill Milestones

- Observation
- Recognition
- Motor Skills

N n for Nest

Kids IQ

1. Which animal builds a nest?
2. Where have you seen a nest?

For Teacher

/N/ instructions

- Put tip of the tongue against the gums behind your top front teeth.
- Raise the center of your tongue.
- Release the tongue without a puff of air.

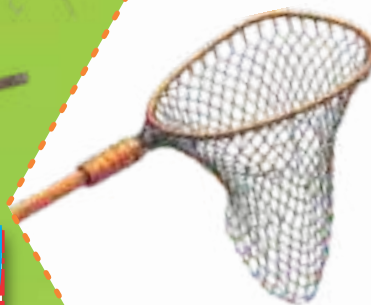

nose

note book

nut

net

Kiddie Quest

Discuss which animals build nests and where nests can be found. Take a nature walk to look for nests in trees or bushes. Create a nest craft using twigs, leaves, and cotton balls.

Skill Milestones

- Observation
- Recognition
- Motor Skills

O for **Orange**

Kids IQ

1. What is your favourite way to eat an orange?
2. What are other things that have same colour as an orange?

For Teacher

/O/ instructions

- Touch the tongue to the inside of the bottom teeth.
- Top of the tongue is even with the top of the bottom teeth.
- Lips are held open and kept rounded but relaxed.

OX

octopus

owl

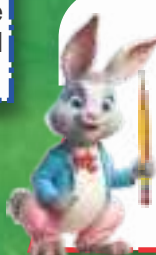

otter

Kiddie Quest

Have a snack time with orange slices. Create an orange collage using colored paper and stickers.

Skill Milestones

- Observation
- Recognition
- Motor Skills

P p for Penguin

For Teacher

/P/ instructions

- Put the lips together.
- Release them with a puff of air.
- Without vibrating your vocal cords.

Kids IQ

1. Where do penguins live?
2. Can penguins fly?

panda

pen

pig

pigeon

Kiddie Quest

Discuss where penguins live and whether they can fly. Watch a short video about penguins. Create penguin craft using black and white paper, googly eyes, and orange beak.

Skill Milestones

- Observation
- Recognition
- Motor Skills

Q q for Queen

For Teacher

/Q/ instructions

- Q is always followed by u in english.
- Sound is produced like a [k] and [w] together.

Kids IQ

1. What does a queen wear on her head?
2. Can you name a famous queen?

Kiddie Quest

Discuss what a queen wears on her head and name famous queens. Play session where children dress up as queens and kings. Create crowns using construction paper and decorate them with jewels and stickers.

Skill Milestones

- Observation
- Recognition
- Motor Skills

quiver

quail

question mark

quilt

R r *for* Rat

For Teacher

/R/ instructions

- Open your mouth slightly.
- Raise the middle and back of your tongue towards the roof of the mouth without touching it.
- Vibrate your vocal cords.

Kids IQ

1. Have you ever seen a rat?
2. What is the colour of rat?

rhino

rose

run

rabbit

Skill Milestones

- Observation
- Recognition
- Motor Skills

Kiddie Quest

Discuss whether the children have ever seen a rat and what colour a rat is? Read a story about a rat and discuss its adventures. Create a rat craft using paper plates and markers.

Learn & writing practice.

S for Snowman

For Teacher

/S/ instructions

- Put the tip of your tongue behind front teeth.
- Raise the rest of the tongue while it almost touches the roof of your mouth.
- Let air hiss through the narrow opening.

Kids IQ

1. Have you ever built a snowman?
2. What is the taste of strawberry?

sun

strawberry

shark

socks

Kiddie Quest

Discuss if the children have ever built a snowman and what strawberries taste like. Conduct a snowman-building session with white playdough. Create snowman crafts using cotton balls and construction paper.

Skill Milestones

- Observation
- Recognition
- Motor Skills

T t for Tiger

For Teacher

/T/ instructions

- Put the tip of your tongue behind the top front teeth.
- Release it with little puff of air.

Kids IQ

1. Where do tigers live in the wild?
2. What do tigers eat?

tie

truck

tree

table

Kiddie Quest

Discuss where tigers live in the wild and what they eat. Watch a short video about tigers. Create tiger masks using paper plates and orange and black markers.

Skill Milestones

- Observation
- Recognition
- Motor Skills

U u for Umbrella

For Teacher

/U/ instructions

- Tongue is relaxed & set low in the mouth.
- Sides of the tongue lightly touch the bottom teeth.
- Jaw is kept in a neutral position & the lips are relaxed.

Kids IQ

1. When do you use an umbrella?
2. What colour is your umbrella?

urn

unicorn

ufo

utensils

Skill Milestones

- Observation
- Recognition
- Motor Skills

Kiddie Quest

Discuss when to use an umbrella and what colour is your favourite umbrella. Ask children to draw and colour their favourite umbrella. Practice opening and closing umbrella (toy ones) to develop motor skills.

V for **V**an

For Teacher

/V/ instructions

- Press your front teeth against bottom lip.
- Vibrate and force air through the opening.
- Release teeth from lip.

Kids IQ

1. Have you ever taken a ride in van?
2. What colour van have you seen?

vulture

vase

Vest

Vegetable

Kiddie Quest

Talk about if the children have ever ridden in a van and what colors they have seen. Create a craft project where children draw and decorate a van using various materials. Conduct a pretend play session where children sit in chairs arranged like a van and go on an imaginary trip.

Skill Milestones

- Observation
- Recognition
- Motor Skills

W for Watermelon

For Teacher

/W/ instructions

- Close the jaw from the lips in a small tight circle.
- The sound is voiced so the vocal cord must vibrate during the production of sound.

Kids IQ

1. Do you like eating watermelon?
2. What is the colour of watermelon from inside?

whale

watch

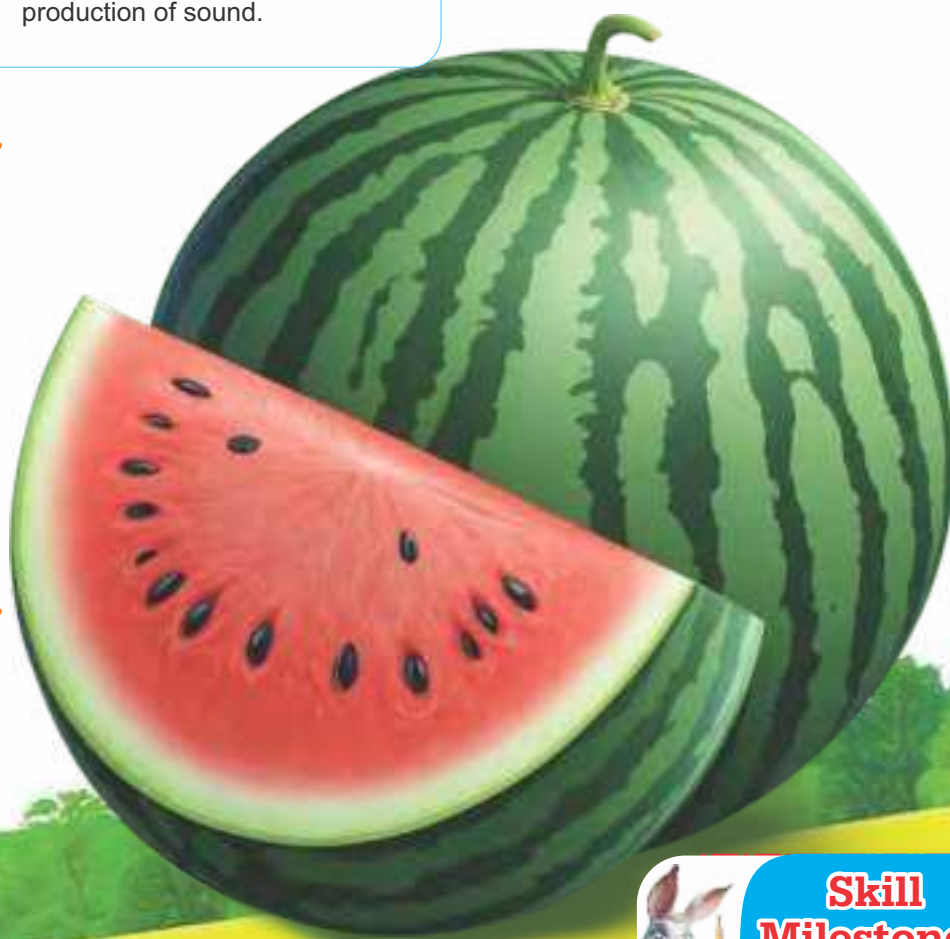

wool

Kiddie Quest

Discuss whether the children like eating watermelon and the colour of the watermelon from inside. Provide watermelon slices for tasting and describe the flavour. Create a watermelon craft using green and red paper with black seeds.

Skill Milestones

- Observation
- Recognition
- Motor Skills

X

X for X-mas tree

For Teacher

/X/ instructions

- Sound is produced like a /K/ & /S/ together.

Kids IQ

1. What do you like about X-mas tree?
2. Do you help in decorating X-mas tree?

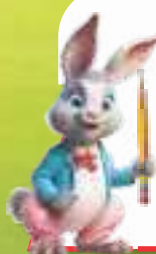

x-ray

xylophone

xerox

Skill Milestones

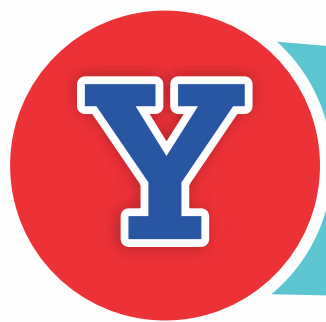

- Observation
- Recognition
- Motor Skills

Kiddie Quest

Create a mini Christmas tree using green paper and decorate it with stickers and glitter. Sing a Christmas song and discuss about Christmas traditions.

y for Yak

For Teacher

/Y/ instructions

- Position your mouth as if smiling.
- Vibrate your vocal cords.
- Quickly go on to pronounce the next vowel sound in the word.

Kids IQ

1. How would you describe a yak?
2. Where do yaks live?

yellow

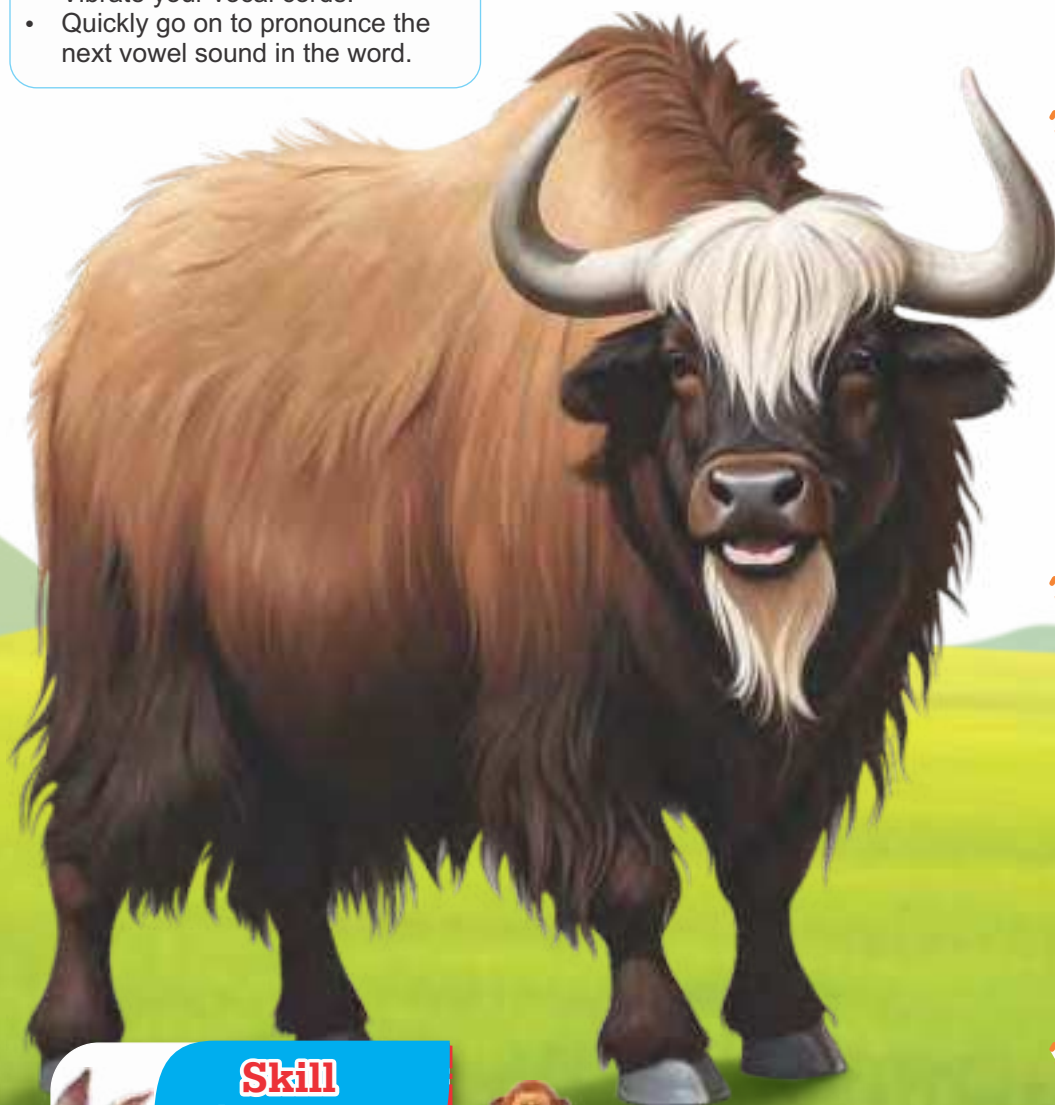

yarn

yogurt

yo yo

Skill Milestones

- Observation
- Recognition
- Motor Skills

Kiddie Quest

Talk about how a yak looks like and where they live. Show picture of yaks and discuss their habitat. Create a yak mask using paper plates and yarn for the fur.

Z for **Z**ebra

Kids IQ

1. What is special about a zebra's stripes?
2. Where do zebras live?

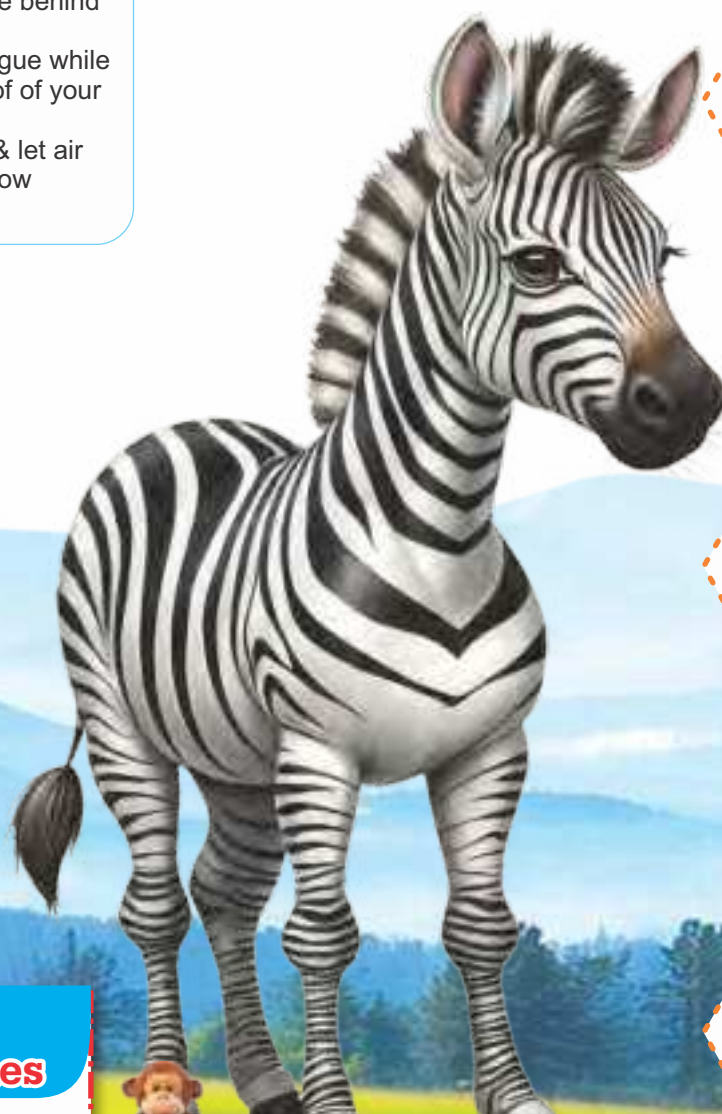

For Teacher

/Z/  **instructions**

- Put the tip of your tongue behind the bottom front teeth.
- Raise the rest of the tongue while it almost touches the roof of your mouth.
- Vibrate the vocal cords & let air escape through the narrow opening.

zip

zero

ZOO

zigzag

**Skill
Milestones**

- Observation
- Recognition
- Motor Skills

Kiddie Quest

Discuss what is special about a zebra's stripes and where they live. Show videos or pictures of zebras in the wild. Create a zebra craft using black and white paper strips to make the stripes.
